RE: Bylaws and Appendices For Alliance of Downriver Watersheds

Dear Kelly:

This will confirm that I have now had the opportunity to review the above referred to matter and, aside from a few non-material changes which I have suggested to you in my email of June 19, 2006, the Bylaws and Appendices are in form and substance satisfactory such that I will recommend to my clients, namely the Cities of Taylor and Dearborn Heights and the Charter Township of Van Buren, that they pass the necessary resolution to adopt the Bylaws and Appendices to allow for their participation in the Alliance of Downriver Watersheds.

Very truly yours,

SOMMERS SCHWARTZ, P.C.
