Dear Ms. Hutko:

We have received the Public Participation Process (PPP) for the Combined Downriver Watershed dated September 14, 2004. Based on our review, we have determined that the process meets the requirements of the MS4 Watershed General Permit No. MIG619000 and is therefore approved.

As facilitator of the Combined Downriver Watershed Inter-Municipality Committee (CDWIC) and because only one PPP was required for the entire watershed, I am sending this notice to you only. Please share this letter with the members of the CDWIC so they can have a copy for their records. If you have any questions or comments about this letter, please feel free to contact me.

Sincerely,
